“ Hi Loretta- I was looking to find out what Charley was up to nowadays and found that he had passed. Charley and I met when I was just entering the ranks of manufacturer's representatives in Northern California.

We represented Peterson for many years in the 1980s and 90's. Charley and I hit it off from the beginning and he treated me like a brother. I met you once in Florida when I was visiting after our representation ended.

Anyway, Charley was the best. Urbane, caring, intelligent, and a real mensch! Hope all is well with you. Also hope you see this, it's been awhile!

“ Loretta, I am so sorry to have missed this sad news. Charley was the best man ever. He was a dear friend to my Dad, Bernie and me. I do know that he saw that his best years were with you by his side. I will remember him with admiration and love.

“ Loretta, My condolences and prayers to you and your family. I am an environmental law attorney in Tallahassee. I helped Charley now and again stay straight with environmental regulatory requirements at his plant there. He was a great client, but also a personal friend. We shared recommendations on books to read. I used to pull off I-75 to see him for awhile on my way back and forth to south Florida on other work. My memory will be from the last time I did so. Rest in peace, Charley. And God speed.
