We never met in person my beautiful cousin but we will always Mr day! Our conversations over the years meant so much to me. Your advice always so genuine and insight. You told me you were gonna be my aunt Stevie's replacement and I can come to you always for advice or anything.. now you're with her and I have two beautiful strong women watching over me. You said you wish you can see me at my wedding and watch me get married... I'm holding yours to it! I love you Couzy ❤️

“ Chris was my hairdresser. She always made me feel so good! We had so much fun talking about our social lives and what we were looking for:-) Chris was so young at heart and full of life. This is so very very sad!

“ I've known Chris since she was little. I used to babysit her at my aunties house. We called her T-Bird then because she was so small. I feel fortunate to have just spent time with her 4 months ago while we were in Florida. I will forever cherish those moments. I've never met a person who smiled and laughed and wanted to make everyone happy. RIP my beautiful Angel, you are so loved

“ Chris cut my hair starting in 2013 and we had to stop going due to the driving distance a couple years ago - I never learned to drive myself, so Chris was always on my case to urge me to learn. She was always friendly, always open, and still texted me even when we stopped going. I always tried to make her laugh and was always grateful that she wasn't too judgmental over my quirks. I'm gonna miss her a lot.

So shocked to hear about Chris. She was my hair stylist for over 10 years and I followed her around Lakewood Ranch and Sarasota as she moved studios. We always enjoyed catching up on happenings in our lives . She was a special person, a caring individual, a lovely soul. I will miss her. Her family can know that she was loved by many whose paths she crossed.

“ My heart breaks for her children and grandson as I know she loved you all and wanted nothing but the best for all of her loved ones - family, friends and clients . Life has been tough and I pray she is at peace .

“ I was lucky enough to have Chris there to cut my hair 11 years ago when I walked into the salon. The first thing she told me was that she had a big head because she had to wear an extra large motorcycle helmet! I laughed and knew instantly that we would be friends.

God bless Chris. She was one of the good people in the world. I know that God was happy to see her. Prayers, good thoughts, and energy for all of you! She would want us to smile, I think.

I was so lucky to have Chris in my life. I had just moved to Sarasota and she was such a loving happy spirit. I knew then we would be friends. I felt as though we were twins. Every time I would get my hair done we would swap stories and laugh like 2 school girls. I will never forget you my friend. 🥺

“ To Chris’s family, my deepest sympathy to you. There was no better hairdresser in Sarasota then your Mom. Every winter season when I came from Canada to Florida, I couldn’t wait to see her. She loved her family & would always remind me of her Canadian family roots.

God Bless Her!

“ Chris is one of the first people I met when we moved down here to Florida. She did my hair but more importantly we had become close friends. I’m devastated to hear this news. She was so loving and ALWAYS worried about everyone else. She will be missed so much!!! Deepest condolences to her family. I know how much her daughter, son, and grandson meant other. My heart is broken knowing she is no longer with us.

Chris has done my hair for 12 years. In that time we had become good friends. We found out right away that we had the same sense of humor. We have laughed at silly things and cried together over serious happenings. She was so unique. She loved her kids and her grandson. She loved Harley. She loved her clients. I am going to miss her so much. May she rest in peace. ❤️🙏❤️
