I was honored to call you my friend. To my friend of over 30 years. You were an amazing man and one of the kindest people I have had the opportunity to know. From the times at the Bellevue waiting, to hearing you play your guitar, to being a handyman and finally being a doctor to the geriatric people you loved so much. Thanks for all of the memories and the great times we shared. Your beautiful wife Tanya made you the happiest man alive and I'm so glad that you found her. The love you guys shared was a testament to who you were. You were full of love and compassion and it showed. Here's to you my friend! I'll see you on the other side. So glad you met and knew Jesus. Rest Easy and prayers to Tanya and family. He left a big void and I'm so sorry for your loss.

“ Chris was the best friend and neighbor you could wish for; he was very quick to stop by and offer his medical advice and even prescribe flu medicine if needed. We had great many good times socializing and really enjoyed hearing his guitar and song!!! Chris was a very good human being which will be missed sorely!! We will always carry the good memories and love for Chris in our hearts.
