“ Just heard about your Mom and Tim and I send our sincere condolences. I have prayed for your Mom every day from the day she first got sick several years ago. She was such a fun person and pulled no punches. I always wished I was like that. She must be up there smiling down on all of us and praying like mad for us, especially you, her wonderful family. She was an excellent mother, as you well know. I have now been including her in my Chaplets of Mercy and rosaries. What a blessing she was in all of our lives.

Our best and our prayers to your whole family.
