“ Sorry to hear of your loss. I had the privilege to speak and photograph your father the last time he visited the Elkhart County 4-H Fair with his friend Lawrence Watkins. They had a great day watching the harness races together. Our local news did an article at that time. Here is a link. http://www.goshennews.com/news/local_news/fair-faces-friends-have-been-coming-to-fair-for-more/article_3d9829dc-fa27-55b8-a666-61c3d7792305.html
May God comfort you during this time with the legacy he has created in you and your children.

“ Edna I am so sorry for your loss. Ginny Fisher Nichols was my wife. As a Elkhart County 4-H Fair Past President (2004) like Dan Ginny always hoped to get one of Dans beautiful wood carvings to display at the Fair Museum. If that would be possible we would like to honor his service to the Fair by putting a piece on permanent display. It can be sent to:
Dorn Nichols 66101 US Highway 33. Goshen, IN 46526. Thank you
