“*Heartbreaking. David is my first son’s God Father. My 2nd son’s middle name is “David” and that was by design. I will never be able to articulate what he has meant to my life. Great friends since 1986, so many great memories. I know you are listening to “ The way it is” (Our favorite song from the 80’s). I am sorry we got so busy with life, that we did not speak as often as we should. But, that never stopped us from picking up where we left off when we did speak “Best Friends”. RIP my brother. I will see you later. Love you Dave.*

“ To hear this news was very sad. Dave and I met in Des Moines and boy we butted heads, I think we both had that stubbornness or maybe its because I was an Army wife and so we would give each other crap about the Army and Marines, which ended up bringing us closer and becoming friends. I enjoyed his stories. Dave, you will be greatly missed! I will forever cherish the memories with you!

“ Our deepest condolences to Amy and Daves's family.
Siesta Key Rum was so lucky to know him.
The best tour guide we've ever had.
That voice. His presentation. His humor. His presence.
Never forget him starting up his motorcycle and customers thinking
it was thunder. We'd say "Nah, that's just Dave".
We loved having him as part of our family. We all truly loved him.
How could you not? We all knew what a great, patriotic, creative,
smart, reliable and generous man he was.
He loved his life, his Amy, his family, his causes and his friends.
Dave, Siesta Key Rum will never be the same without you.
Cheers to you forever.
