“ *Dave was a classy guy! Every time he came to Tallahassee, he would get together with my self and my wife for dinner. He introduced us to one of the greatest restaurants...TEDS! Those were great times! Always treated us with professionalism and integrity. Those memories will never be forgotten. He will be truly missed but always in our hearts.*

We love and miss you Dave.

“ *Dave and I were friends for years. I was his hair cutter. He was a great guy. When he didn't show for an appointment he made with me, I knew something was wrong. So sorry to hear of his passing.*
