

## David Kenneth Hart

October 7, 2016

David (Dave) Kenneth Hart died unexpectedly at home in the early afternoon hours of October 7th at the age of 67.

Born and raised in Piqua, OH, Dave was very proud of his small town, mid-America heritage. Following graduation from Piqua High School, Dave served his country as an Army Artillery 1st Sgt including a tour in Vietnam. Returning to the states he began his public safety career as a Piqua police officer and later became a Piqua firefighter. He later moved to Sarasota and became employed in the private sector loss prevention and security business. Shortly thereafter, he joined the Sarasota County Sheriff's Office beginning as a deputy on their Beach Patrol and later in his career specialized in crime prevention/community policing. He rose through the ranks to Lieutenant before retiring after 27 years of service.

Dave met the love of his life Cindy Zadra Hart in Sarasota and they were married almost 36 years. Their marriage produced a son Ryan David Hart who became his father's best friend. One of Dave's proudest moments was the birth of his first grandchild last year.

Dave was an accomplished athlete and fierce competitor having won numerous events and competitions during his lifetime. Additionally, he was an avid astronomer and photographer and his works were enjoyed by all his

family and friends. He loved tending to his beautiful landscape and numerous and varied exotic plants along with a new found interest in bonsai and tagging monarch butterflies that would visit his garden.

Dave was an active member and supporter of Incarnation Catholic Church. He lived his faith by the way he treated all those he met and accordingly was loved and respected by all.

Dave is survived by his wife Cindy, son Ryan (Lori-Ann), grandson Lucas and sisters Kathy Moore and Patti Kennedy. He was preceded in death by his parents, and two brothers.

Visitation will be on Wednesday (12th) from 6:00-8:00 pm at Toale Brothers Funeral Home, Colonial Chapel, 40 N. Orange Ave. A mass will be held Thursday beginning at 9:30 at Incarnation Catholic Church, 2901 Bee Ridge Rd followed by burial at Sarasota National Cemetery, 9810 State Rd 72 beginning at 12:30.

In lieu of flowers, donations can be made to St. Vincent de Paul Society via Incarnation Catholic Church.

“ As family and friends say good bye to Dave, our hearts are also broken as we so wish we were there with Cindy and Ryan today. We are comforted in having been able to know Dave over the years even though we live so far apart. His smiling face, warm voice and sincere hugs will be with us always. We are so glad to have had the chance to get together in person with Dave and Cindy this past April. At that time, Dave so insisted I take back some of his tropical plants to Wisconsin and one that I thought had not survived, I found growing 2 weeks ago hidden amongst the Wisconsin plants. It is something that I will cherish and keep special year after year as I think of the smile on Dave's face when he gave it to me. What a special person.

“ *Dave was such a genuine and kind gentleman. Sarasota will not be the same without Dave here. He truly made an impact in every life he touched each day. The warmth of his smile and infectious personality could turn a room around upon his arrival. You just loved to see Dave. It was almost as God sent Dave each day to bring joy to people lives. He is definitely in heaven. Cindy and Ryan have Dave with them every day, they are the lucky ones who had him all the time and will continue to have him in their lives. He is with his family in heaven and I thank God for bringing him into my life. Love and Prayers to all the Hart family. Karl*

“ *Cindy, Ryan, and family, We have moved from stunned to disbelief that Dave is gone, but he will live forever in our minds and hearts, and that keeps him alive in our memory. Words cannot really tell you how much we will miss him, but we are so glad we have those wonderful experiences with him to recall. We look forward to seeing him again in the resurrection, and it is so comforting to think on Job 14:14,15, that God will have a longing to see Dave again, just as we will. Then Revelation 21:3,4 will be fulfilled: no more tears, crying, pain, or death. May those prospects and the loving support of friends and family sustain you, our dear friends. Love, Peggy and Don*

“ Dearest Cindy and Ryan, We are so very saddened by Dave's death and cannot imagine the shock and pain you are feeling. We wish there was something we could say that would, in some way, make this most difficult time easier to bear. Having never lost a mate, we can only compare it to the loss of a parent, and only the passage of time eased the pain of that loss. However, not only do we look forward to the resurrection of our loved ones, but the Revelation promises a time when death, pain, and sickness will be no more. Until then, please know that you are in our thoughts and prayers. Our love, Peggy and Don

“ Dave's sudden passing has left us with a broken heart. We were fortunate to have him for 35 wonderful years as a brother-in-law. He was a kind, loving and witty person. With the love of plants, he always shared his plants with others. You would always find him out with his father in-law planting and weeding his garden in Gainesville. His wife, Cindy's life was complete when she met and married him. They both were blessed with a beautiful son, Ryan, a daughter in-law, Lori Ann and grandson, Lucas. Dave has left a legacy behind for his son and grandson. The women loved Dave.....he was always the first one to start doing dishes after a meal. He would let everyone else enjoy their visits while he cleaned up the kitchen. Sure will miss that. I believe God has greater plans for him now. He will live in our hearts forever. “ *Every person in their lifetime should have a David Hart to share life's moments with. Technically he was my brother-in-law but in reality my brother. I have never met anyone that was more liked or had such a passionate heart in the interest and treatment of others. Dave was someone we should all strive to become. A Christian man, a true military and law enforcement Patriot who served his country and community honorably, a faithful spouse and a loving father and grandfather. We were all blessed by his life and we will honor him by our thoughts and actions as we continue our journey through life.*
