~ The Value of a Smile ~

The Value of a Smile: "It costs nothing, but creates much. It enriches those who receive it, without impoverishing those who give it. It happens in a flash,

and the memory of it sometimes lasts forever. None are so rich that they can get along without it, and none so poor but are richer for its benefits. It creates happiness in the home, fosters good will in business, and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to the sad, and nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is no earthly good until it is given away."

“ *We always enjoyed David. Every call we compared New Englanders and midwesterners; what was going on at the time. Turns out we are about the same, just less snow. I'm sure I wasted his time but he seemed to enjoy the conversation: that was just David. The gift of gab and it will continue with Julie. Our hearts go out to her and the family.*

“ *My life was so enriched by knowing David. He truly was a very special individual and being around him was a blessing. I was one of his first clients with Seniors On The Go and the knowledge that he and Julie were there to take care of me, with my travel needs, was so comforting. Visiting with David on the drives to Tampa Airport was a delight, and if he agreed with me...his stock comment would be "thank you" to acknowledge the affirmative. Without a doubt, he will be sorely missed*
