

David Alexander Klass

June 3, 1932 - September 2, 2021

David Klass of 2550 Cover Lane North Port, FL departed this earth on a rainy Thursday morning on the 2nd of September 2021 at approximately 10:00am.

He was born on 3rd June 1932 in a small town called Jonestown Mahaica, in the country of Guyana, South America to the late parents, Dorehis (Dolly) Roberts-Klass and Joseph Alexander Klass.

David was the husband of the late Rubena Elaine Gill-Klass (1938-1998). He was the brother of the late Edna Klass Barnes, the late Bernice Letitia Klass, the late Basil Klass, and the late Alberta Klass-King.

He is survived by two siblings, Olga Ramsey Casey and Vernon Klass. He was the father of Colin Klass, Sharon Klass and Marlene Karlin. Grandfather of Codeen Jamella Klass-Brown/Randy Brown, Justine Rubena Klass, Sophia Janine Klass/Fraser, Alexander Omar Klass-James, Sydney Karlin and Colin Daniel Klass. Great Grandfather of Chadae Somaya Harvey, Randi Olivia Brown, Jaylen Gouvia, Cody William Brown, and Sekani Daniel Klass Brother-in-law of Lynette Alexander and many others deceased Father-in-law of Lenox James, Todd Karlin and Myrtle Klass Uncle of Avril Gill, Desmond Gravesande, Linden Kling, Karen Casey, Lansford Klass, Donna Gill, Evette Gill, Michelle Bennett and many others. He was the nephew, cousin and relative of the Lynche, Bruster, Harris, Roberts, Walters, Moffeth, McPherson,

Semple, Greaves, McCurdy, Jackson, Nagamottoo, Klass from Florida, Texas, Berbice, Canada, London, France, and many more.

Our dad was a great provider for his family and anyone who needed his help. He came from humble beginnings, but a rich culture filled with knowledge of numerous trades, including carpentry, electrician and tailoring which was evident in the way he was always smartly dressed. In his earlier career, he worked as a miner with friends, mining for gold and diamond and subsequently was employed with The Ministry of Guyana Geology and Mines.

David migrated to the USA where he continued to expand his academic knowledge by acquiring his High School Diploma equivalency and began a new career with the Board of Education of the city of New York School Safety division. For 20 years, dad exemplified the greatest form of work ethics. He never took a sick day or reported late for work, retiring from The New York State Police Department in 2007.

Our dad enjoyed listening and playing all genre of music, but his most enjoyable time was playing jazz and blues music for dancing the waltz and of course his instrumentals. On Sundays some of his favorites were Ace Cannon, Tom Jones, Otis Redding and many more.

He NEVER stopped being a husband, father, brother, grandfather, uncle, cousin or friend. He demanded respect and he gave the utmost respect. He held his head high and maintained his dignity, even in his illness. He never allowed anyone to take that away from him.

WE WILL NEVER BE ABLE TO GIVE BACK WHAT HE HAS DONE FOR US. But We are thankful to God for every second of every minute of every hour that we were able to have our dad, Mr. David Alexander Klass, here in our presence. His legacy will live on in us, his uncompromising and unapologetic

display of unwavering strength to defend his family in truth and grace. He was a force to be reckoned with. In our culture we all knew that 'he didn't play, and you had better have your ducks in a row before you approached him'. In all of that he was a very loving, and funny person, who loved to cook. (When he made a joke, you had to check to see if he was serious or joking...)

Our dad was a very private person and thus we are going to honor his name and have a small viewing and service at Toale Brothers Funeral Home & Crematory, Ewing Chapel, 140 East Venice Avenue, Venice, FL 34285, on Friday September 10th, 2021, at 6-8pm.

“ Our prayers are with you Colin, Sharon, Marlene, Alexander and the rest of the family. Dad fought a good fight, now it's time to rest. It's never easy to accept the passing of a loved one, but when you know him not only personally, but watch him fulfill God's purpose for his life, you can agree with him, "it is well with my soul". May God grant you the strength to carry on his legacy of love, something that was shared with all of you and all he encountered on his journey of life. May he Rest in God's Eternal Peace. ❤️🕊️🙏

“ *Hi Sharon, Marlene and Colin. I remember David Klass as a man whose presence command discipline and order even though he uttered few words his stern look commanded a conduct of orderliness and respect. His house at 472 West Ruimveldt in Guyana was our liming headquarters and as teenagers he would observe us and never hesitate to correct and guide our behavior as a responsible parent to us all. I have never known him to execute corporal punishment to any of his children (on reflection he should have to at least one of them) yet he was respected by all . A very hard working man that loved his family. I will never forget him giving me the largest English potatoes that was grown in Guyana it was the size of a medium size bread fruit and that was around the time when all Guyana was encouraged to eat locally grown food. When we were preparing for GCE his house was the place we studied and one night he came downstairs and questioned me as to why was I looking through the 45's (small records like CD's today) and not helping Colin who was making a map of Trinidad or Barbados I had an answer but it would have put me in hot water so I humbly pretended to help. He liked to see usefulness. I will miss him . David Klass left a legacy.*

Mr David Klass was a gentle giant in his character. Stern but still gentle. As a child living at 470 West Ruimveldt in the early 1960's my family and the Klass family shared many good times. My dad and Mr.Klass were work mates during those early years. Despite the fact that life journey took them in different directions, The good memories always remain. In his children his legacy will live on as the emulate and display, the qualities and values they learned from their dad. The entire Jordan family express our sympathy to Colin , Sharon and Marlene and all others in their extended family. Linden Paul Jordan.

“ *Father God, I lift up my cousins who are mourning the loss of their father. I ask that You would bring them comfort in the midst of this life-shaking event. Thank You for Your promise to walk with and even carry them as they travels through the darkness of grief. Let them not be overcome with sadness, as those who have no hope, but to be strengthened by an awareness of Your presence. Thank You for being God of all comfort, the One who holds us in Your hands. It says in Your word that one day there will be no more death. But for now, I praise You for holding my cousins close and giving them peace, comfort, encouragement and rest. We pray in the Strong Name of Jesus....Amen...Love Philip*
