

David G. Krickl, DDS

January 22, 2018

David G. Krickl, DDS

Loving husband of Celeste, wonderful and caring father to Dewey and Kara, left us suddenly and too soon.

Originally from Oak Park, Illinois, David practiced dentistry for 45 years most recently with Florida Dental Centers.

David and Celeste relocated to Florida in 2001 with their infant children to start a new life in the Sunshine State.

He loved practicing dentistry, but always said, "First, I'm a Husband; Second, I'm a Father and Third, I'm all the rest!"

He was an ardent fan of the Chicago Bears, Blackhawks and Cubs! Loved golf, playing guitar and spending an afternoon fishing.

He was a wonderful Chef and nothing made him happier than cooking for family and friends.

David is also survived by his father, Joseph L. Jr.; brothers, Joseph, Paul (Donna), Raymond (Nancy), Thomas (Amy), John (Nancy); sisters, Catherine

(Drew Rutz) and Mary (Tim Flanagan) and a number of nephews, nieces, loving in-laws and friends. He was predeceased by his mother Catherine.

A Memorial Mass will be held on Saturday, January 27, 2018 at 9:30 am at Our Lady of the Angels Catholic Church, 12905 E State Rd 70, Lakewood Ranch, FL 34202.

Family and friends will gather at Gecko's Grill & Pub, 4310 State Rd 64 E, Bradenton, FL 34208 at 11 a.m. following the Mass to celebrate and remember this wonderful man.

Gecko's is where David and his family watched every Bear game for many years and where he felt most at home.

“*Dave grew up across the alley from my family in Oak Park, IL. He then became my excellent dentist for a number of years until he moved to Florida. He was an interesting, accomplished and caring person. I am so sorry to learn of his death, but so glad to have known him in life.*

“*I have not seen Dave Krickl in more than 30 years. Still, I'm saddened that I won't be seeing him anymore. He is one of the good guys gone way too soon. A lot of PONG games. A lot of pool. A lot of M*A*S*H reruns. Some Cubs games. A few beers. Condolences to the family. Rest in peace, Krix.*

“ Please accept my deepest sympathy . I had the pleasure of working with Dave briefly in Sarasota. It was obvious to me from my first day that Dave had great ability as a Dentist.
I also recall his dedication as a husband and very proud father. I am very saddened for your loss.
My wife and I recently lost our first child Jim.
We offer our deepest condolences

“ Dear Krickl Family
I was saddened to hear of the sudden loss of your husband and dad. I am a dental assistant at Florida Dental Centers in Bradenton office. I didn't assist with him because I am primarily in the xray room unless I am turning a room over for next patient. However, I do recall having inspiring conversations about his loving wife and your journey to get healthy. You continue your journey to inspire and be inspired. He also spoke about his teens and how proud he is of them.

Please accept my sincere condolences to you and your family. Only God can bring you peace like no other. Reach out to Him who holds your husband's soul til the next coming of our Lord Jesus Christ. Remember when you see only one set of footprints; it is He that carried you. Christ has Risen! RIP Dr. David Krickl

Sincerely,
Reiko Baker and family

“ I went to Ascension and Fenwick with Dave, and he was also a regular with the Fox Park group of friends in Oak Park. I will always remember him as a smart, nice kid, and he sure loved to talk about rock and roll music.

“ Dear Celeste,

Dave & I attended Ascension (class of '67) and Fenwick (class of '71) together. Really bright guy, as you know. Haven't seen him since - but not surprised he was successful, a loving husband, and a loyal dad.

He certainly died too young. May God rest his soul, and may God grant you peace.

“ Dear Celeste, Dewey and Kara,

David was an incredible person! He was wonderful and caring in everything he did as a Dad, husband and dentist. David had such a great way of making everything fun and keeping a positive outlook. David's impact on many of us will continue in our hearts for years to come.

I am praying for healing for all of you. I can't imagine what you are going through but I feel that you must be lost without this great man. May you feel the love of friends and family lifting you up in the coming days.

“ Celeste, Dewey and Kara, I only met your David(Dad) a couple of times, but I could see what a gentle and kind man he was. Celeste has often spoke about her love for him and his and her love for their children. Stand together knowing he is looking on you all and still watching over all of you from Heaven. He will always be with you in your hearts and memories.
