I have so many fond memories of Dave. 50+ years brother, thanks for doing the things you did for me and the feeling of love and respect. He had the spirit of a lion and a heart of gold. If someone needed him he was there, always. My deepest sympathies to my loving extended family. Peace be with you.

“ *My family (The Gibbons) have known Dave since childhood. Grew up in Merrionette park with him.. just like his wife Lynne. One of my Brothers (Joey) best friends. For over 40 years... As the years went on , we were like (family) not just friends. Always kept in touch.. through tough times. With our families.. we called each other, Brother or Sister, Aunt or Uncle. From beginning to end My condolences to the whole family.. from the passing of Lynne, to now David.. in a short time.. Dave and Lynne will forever be in our hearts. Love from the Gilligan's and the Gibbons family..*
