

## David Michael Sousa

April 17, 1967 - October 4, 2022

David M Sousa, 55 of Northport FL, formerly of New Hartford, NY, died unexpectedly on October 4, 2022. He was born in New Hartford, New York on April 17, 1967, the son of late Richard F and Diane M (Hiscock) Sousa.

David attended Utica and New Hartford Central Schools. David worked as a master finish carpenter as well as a furniture craftsman. Dave shared his talents with many of his clients throughout the years through remodeling of homes as well as building handmade furniture, which one would consider pieces of Art. Additionally, he spent his free time working on projects where he would restore boats, cars and motorcycles – which he made to be one of kinds no other may dream of having. David enjoyed to mentor and share his skills with his nephews Derek and Richard Jr. He also had a passion for gardening, he always went above and beyond with every project – he definitely had the most superbly landscaped gardens of any neighborhood.

David is survived by his sisters – Debra Lauer and her husband Ray, Cynthia Montero and her husband John, his brothers John Sousa, Steven Sousa and his fiancée Jennifer and Sister in Law's Corinne Sousa and Gina Coury. David also leaves behind a loving girlfriend Soby. David was predeceased by his brother and long-time best friend Richard David Sousa. The following are David's cherished nieces and nephews: Danielle, Derek, Richard Jr, Christina, Niccole, Brandon, Corey, Jeremy and Dylan. His beloved great nieces and

nephews include Saradi, Skyla, Landon, Kali, Cameron, Derek, Jr, Kolby, Paxton and Annabella.

The date has not been determined for David's Celebration. Further information will be available at a later time.

Rest in Peace David Michael Sousa – Nothing will ever take away our loving memories.

“*Dave and I went to high school together, we lost touch and ran into each other again in 1996, we would always jeep it dimple with a what's up little one and to my 4 daughters, he was awesome with the scooby Doo voice. We only dated briefly, we both agreed better off friends, friends we remained. He had me cut his hair twice. I loved his long hair. We remained friends but Lost touch, now I know why 😞.
