“ Goodbye to my loving brother. My heartfelt sympathies to his beautiful wife Kathy and his son Patrick. David was my oldest brother and my heart hurts knowing I will not hear his voice his laughter or see his face again. I know you needed to go to a better place . To be with mom and dad and all your past friends. Your burden was to great here. You did so much to help others in your time here. So many have commented to me on how they loved working with you or on what you did for them. I will follow in your footsteps the best I can. You taught me much as my big brother . I will love and think of you always. Until we see each other again RIP big bro
