“ *Diane was my stepsister and good friend, loving mother, and the most beautiful girl at Whitman - Hanson high school. Diane and her mother Pat Wibben were very close so much so their resemblance to each other was amazing.*

“ This strong, amazing, and kind woman is my grandmother. We had just started to finally build a relationship this year and I met her for the first time since I was little in July of 2022. I'm so heartbroken I can't even put it into words. When I visited, we had an hour long conversation that made me realize how genuine and amazing this woman truly is. We bonded very much talking about my childhood dog, Bear. I know they're up there right now cuddling, playing, and finally being together at last. I love you grandma. Although our time together was short, it felt as if I had known you well my whole life. Rest in Peace to this independent, sweet, genuine, loving woman. I'm so glad I was able to visit you even if it was just for a few days. I love you.
