“ Don and I bowled on the same team for many years. Racket ball too. We went to many, many Steeler games, home and away as season ticket holders. Both being Corpsman kept our friendship going.

We spent a lot of time together as couples, Don and Linda with my wife Linda and myself. We were always welcome to spend time at their home when they moved to Florida and did on many occasions. He will be missed and I will remember him always.

I was lucky enough to get to know Don and Linda about seven years ago. What a pleasure to be able to visit every winter and share time and memories with them. Especially listening to the many stories Don and Jack would recall, with so much laughter and fun.

I will miss those moments but am thankful I had the opportunity to get to know Don.

Just found out about Don. We were good friends since his early Shadyside days as my late wife Susan was his supervisor. REM trips to Luray Virginia, fishing in Canada many times. We bowled, went to so many Steeler games and a Super Bowl. Many weekends in the summer just drinking beer and laughing. After I lost my wife I got out of touch with a lot of friends. Don, you will be missed. I will miss you. Rest in peace my friend. 🇺🇸🇺🇸🙏🙏🙏🙏

I just found out about Don's passing. I followed in Don's footsteps and he was a mentor to me at Shadyside Hospital. We lost touch after he moved to Florida. I so sorry to hear about Don. May he RIP
