“ *The best memory i have of Danny is when we were kids. At the old house on texas road....we would all be in the backyard playing. He always made me laugh. Our grandmother called him Danny Boy Boy. Those memories makes me smile. I will miss you Danny. Your cousin Theresa*

“ *Our deepest condolences Angie and family. Danny was a kind and gentle soul and I have so many memories of the countless hours our families spent together in that house on Brock Street. There was always laughter and good food and the kids ran around like crazy but we had such a great time and all that remains in my memory was the fun that we had just being together. Sending prayers during this difficult time and wishing you strength and comfort in the memories that you have. Hugs, Phillip and Rose and family.*
