“ *May your mom's/grandma's beautiful life carry you through this period of grief and sadness. May the wonderful memories that you shared give you the peace and comfort that your heart needs. May the love of friends and family reassure you that you will never be alone in this journey. I'm thinking of you in your time of sorrow and praying the Lord grants you peace. I am deeply saddened by the loss of someone incredible, but I am still very blessed to have had the privilege of knowing her. She will forever be remembered and loved.*
