“ *Grandma Dody was such a wonder women and I will hold the memories that I have close to my heart. The time I got to spend with her while we were in Kentucky at the family reunion back in 1998, as well as when she came here to Kansas to meet her great Grandchild Leah Marie and the times while in North Carolina when she came to everyone there. My girls will always remember the Highlights for Kids coming every month from her, even though we weren't apart of her everyday life, that was a constant reminder that she thought of them and loved them just the same.*
