“ *It is with deep sadness that I learned about the passing of Dottie. My memories of Dottie go way back to Jocelyn Avenue, Wood Ridge, NJ.. They were wonderful times, and beautiful memories. Back in the day, we successfully joined Weight Watchers together, we also did home decor house parties. Dottie was always there when you needed her. She was a true friend. My sons, Rich and Ken, grew up with Scott and Brian. They have fond memories of the fun times spent at the Sedita household. Tom, Scott and Michael, our sincere condolences. “ My memories of Dorothy and Tom go back to high school. All the silly fun we had swimming, going to school, the prom. My heart goes out to Tommy and the children you are all in my prayers.

“ Dorothy was a classmate of mine in the Wood-Ridge schools. She joined us in elementary school, and we went all through school until we graduated together. She married our beloved class President, Tommy. They were an integral part of the Wood-Ridge community for many years, and they continued to play a big part in the Class of '62. They were deeply missed after they moved to Florida, but they were never forgotten. When some of the classmates gather, Dottie and Tommy are always remembered. I'm sure I speak for our classmates when I say that the loss of Dottie is mourned by all of us. My sympathy and love go to Tommy and his family.
