“*Dear Gonzalez Family, I am so sorry for your loss. Know that death is not God's purpose for us. Soon all suffering will be a thing of the past. We have this assurance at Revelation 21:4:"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon we will be reunited with our loved ones here on earth by means of the resurrection hope. In the meantime may the God of all comfort give you the strength needed to endure.*
