# Tribute Wall

“ To the family of Elaine Natale, Arlen and I are both in shock after hearing of your loss. Elaine was one of my favorite cousins and will be sorely missed. Although the many miles between us kept us from enjoying a closer relationship, we occasionally kept in touch on Facebook and I will miss her many funny, as well as meaningful thoughts. May you rest in peace Elaine!

*Bill and family, please accept our deepest condolences.*

“ We are so very sorry to learn of Elaine’s sudden and unexpected passing. She was a dear cousin of mine and we shared many family holidays and celebrations. Even after moving to Florida, she was resolute in keeping up with family goings-on via Facebook IM or phone calls on her way home from work. She was such a hard worker...and she will never get to enjoy a more relaxed, peaceful existence through retirement. God Bless You and may you rest in peace! 💔🙏
