“ Dear John, Mark & family,

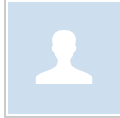

*So sorry to hear of BJ's passing. She was an extraordinary person. My fondest memory of her was all the unique Christmas ornaments she would make every year that we hung on our tree. I always loved the stories of where she & John went on the boat, the food she made, and her outgoing personality, oh, and all the hand-made cards as well. So creative! I will miss her and I'm sorry that I have not made it to any of the last few Pioneer Days to catch up with all of you. Unfortunately, none of us will be able to attend the service (I work and Kim takes care of mom who has dementia now, Bill still flies) but know we are there in spirit and are thinking of you and the family. On behalf of the Reagle family, our sympathies for the loss of such a beautiful person.*

*Sincerely,  
Terri (Reagle) Stewart
