

Elsa Elizabeth Roth

February 4, 1945 - August 14, 2022

Elsa Elizabeth Roth (nee Lindsay) was born on February 4, 1945, to James M and Elizabeth Lindsay in Bloomfield NJ. The family moved to Merrimack NH shortly after her arrival where she was joined by two siblings. Elsa attended the local Catholic school Mount St Mary's school in Nashua, NH, encouraged by her Aunt Martha, Sr Antonius.

After school she married Bob Sweeney, and they had 4 daughters together. They worked hard over the years and opened a fine dining establishment in Manchester NH named RP Sweeney's. Elsa worked tirelessly for hours every day for months hand stripping, sanding and staining the huge antique doors.

After the closing of the restaurant and subsequent divorce, Elsa managed a restaurant in Methuen, MA where she met David Roth. They started dating and eventually bought a home together in Winchester, MA, which they completely gutted and renovated. This was the first of their homes where her decorating skills came into play, and everyone realized what a great eye she had. In fact ever one of her daughters owe the warmth and charm of their own homes to her love, generosity and skill.

Elsa and David created a business, originally run out of their home office, Certified Appraisal Associates. Elsa was one of the first licensed real estate appraisers in the state of Massachusetts. She was tireless in her pursuit of

legitimacy of the business. She was diligent and ethical in her business dealings, often making sure that her appraisers were paid before the bank had even paid the company. During this time Elsa and David also became real estate brokers to expand their business.

They moved to SW Florida in 2004 and jumped right into the real estate and property management market. Elsa went to work for Michael Saunders where met wonderful friends who became a part of her family. Whenever she sold a house there was a gift for the new homeowners and many of her customers became fast friends as well. Her friends will tell you that was always there for them: listening, laughing, crying and supporting her friends through good times and bad.

During the 2000's Elsa and Dave were active in the local jaguar car club. Over the years they have owned and restored many beautiful vehicles. There has always been a jaguar or two in the garage!

Elsa had the ability to make a connection with everyone she would meet. Her sense of humor was only surpassed by her love of family and friends. People were drawn to her by her gregarious nature, warmth, vitality and generosity. Her hospitality was legendary in our family.

Elsa was pre-deceased by her parents and a granddaughter, Melissa Barmore in 2019. Many aunts and uncles from both sides of her family.

She is survived by her husband David Roth. Daughters Karen Ploss (Bob), Tracey Sweeney, Maureen Sweeney (Patrick O'Toole), Martha Edgar(Brian), Lisa Fleury(Christian), Laurie Kriesel-Roth (Christa), Linda Roth (David Trubey).
