“ My wife and I lived at Villa Mirada for 12 years. During that time, I had many occasions to speak with, and work with, Eric. He was a joy. Eric was always willing to help with anything that I asked. He was conscientious, responsible, thorough, and capable. I very much valued his presence. He will be missed.

“ We are also new residents at Mirada Way and had the pleasure of meeting and working with Eric. Without fail Eric always had a friendly greeting and a helping hand. Eric shared how excited and proud he was about his son starting college. Truly a person who loved and valued his family. We were lucky to have met him. Jim and Joann Johnson
