“ *It was indeed an honor meeting you Sir. I enjoyed your laughter and jokes shared through your daughter Dawn. I thank you for your service in the Army, it is with special grace, knowing we shared the same love and honor for our country, as we gave her our all. God needed you for a special duty , we who are left for now will stand guard for you, let the sky show us your sunsets and sunrises, tread on solder you will be missed, always respected. Sincerely, a sister at arms, Sudie Staten United States Navy*

“ *I will always remember Eric's generosity and his laugh. He was a wonderful dinner companion who freely shared his love of good food, wine, and congenial conversation. He also shared his gift for graphic design with all of us at the Sarasota Orchid Society. Every time I see one of the beautiful posters he designed, I will think of him and smile.*

“*Eric's was a man so full of life, so engaging, so optimistic and so very helpful to anyone who met him. I am a better man for knowing him, and am filled with remorse that I didn't know him as well as I should have. He will be missed and mourned greatly. I'll never forget his wit, his smile, and the twinkle in his eyes. My deepest sympathies to his family.*
