“ *Frances was my dearest beloved friend whom I will miss forever. i met Francis in NJ, I worked for Francis for eight years . She was the Director of the National Council on Alcoholism. She hired me as the Education Director.for the non profit agency.*

In addition to working for Francis we enjoyed participating in social activities which included performing in local community musicals such as Hello Dolly.

Returning from a cruise and flying home to NJ I sat next to a super guy who shared with me his loss of wife. I told him He needed to meet my friend Francis. He agreed. They married and had many wonderful years together before our dear Bill passed on.

Even though I moved to California Frances and I have alwatpys stayed in touch. I knew her son, David, from the start and have continued to keep in touch with him. She loved her son.

Yes, I will miss Frances. She was my special friend.
