“ *My prayerful condolences go out to all the Faga family at this time. I deeply regret that I will be unable to attend the funeral at STM since I will be in Europe at that time.*

I give thanks to God for his long and productive life. He was an inspiration to all at STM and a tremendous help to me when I was the pastor. He loved life and enjoyed it to the full and was always happy in the company of family and friends.

Frank and Bea will always have a place in my prayers and I pray that his family may be strengthened in faith and hope during this beautiful Easter season.

“ Talk about a 'mover and a shaker' at St. Thomas More! Frank was such a person. His generosity, his positive attitude, and his willingness to give of his time and talents will never be forgotten. We are sad he is no longer with us, but we rejoice in the fact that he is now with his beloved wife and daughter. Rest in peace, dear Frank! Love and prayers, John & Kay Maier
