“ I and very many others from our French group at Gulf Gate Library are saddened by the news of Frank passing away. We enjoyed many times his lively participation, his amusing stories and, of course, his delicious flan, paella and other gastronomical gifts. He was generous and welcoming and we will all miss him. To you Carol and to your family, sincere condolences and warmest thoughts.

“ Carol, I am sorry for your loss.
Kids, I enjoyed being with your dad on many Saturday mornings in Louisville working on our cars at the "Body Shop". He was a wealth of knowledge about all things mechanical and electrical and more importantly, was certainly proud of you all.

He will be missed.
