“ *My thoughts and prayers are with all of you. I have so many wonderful memories spent with your family. Who can forget the trips to Kiawah? Those car rides hold a special place in my heart due in large part to Dr. Gabe. I feel confident that in heaven he will have AC when he wants it or the windows down as well as the most reliable GPS :)*

“ *So sorry to hear of Dr Gabe's passing. I was honored to work for him for 10 years. He was a fine physician and a great man of integrity. He was such a caring doctor! Our youngest son had double pneumonia over Christmas back in 1993 and Dr Gabe insisted I bring him in to office every day to check his lungs. His kindness definitely overflowed into his every day work (even behind the scenes at work!)) Prayers for all the family! 🙏. Kathy and Roger McClain*
