“ *Going to Lake Okeechobee with Granddaddy and Mimi and staying in his trailer with all those frogs in the shower was always an adventure. Staying the night with them every Friday night and waiting for his Mail truck to pull into the driveway for lunch. Helping him Wash his truck was our quality time with him when we were little. When he would babysit us 4 girls while Mom and Mimi went out together and having us tie him up in his computer chair right before they came home he thought was the funniest thing in the world! I'm going to miss you so much Granddaddy. Comforts me to know you are with Mimi again and no longer in pain. We love you so much.*
