“ I can remember a couple of times visiting my aunt Gerry. There were more occasions but I was too young to remember those. One was a visit with my dad for Joanne's high school graduation. We arrived late in the evening and I remember Gerry insisting on making me something to eat. There she was in the kitchen cooking something up for me. That always stuck in my mind. Another occasion was during college I flew in for Easter one year. Of course she housed and fed me all weekend and made sure I went to Easter Mass. One thing I will always remember about Gerry is the way she would just give me that gentle stare. No words, just a big grin on her face.

“ Wonderful memories spent with Aunt Gerry are in our hearts forever. She loved shopping and eating dinner out. Michigan & Florida were better having her live there. Never did she miss a birthday or an important event. We know for sure that the Lord welcomed her into heaven! A new star light shines down on us. Our hearts share your sadness Joanne, Emily & David. she was so very proud of you all.
