“ My deepest sympathy to George and Gloria's loving family in this time of loss. Although I only knew Gloria for a short span of time, and in some of her most difficult hours, I realized the depth of her kind and caring nature and her vast love for her family. May you always find comfort in your precious memories.
Blessings always,

“ Our family loves Gloria. She volunteered to help care for our twin babies 14 years ago, and she and George have been like extra grandparents to our kids. We will miss you Gloria! Our condolences to the whole family on the loss of this wonderful lady.

“ *If tears could build a stairway! Memories were a lane, I would walk right up to heaven and bring you back again! no farewell words were spoken No time to say goodbye You were gone before I knew it and only God knows why my heart still aches with sadness and secret tears still flow; what it meant to lose you No one will ever know but now I know you want me not to mourn you no more To remember all the happy times Life still has much in store. Since you'll never be forgotten I pledge to you today A hollow place with in my heart is where you'll always stay.❤️Gloria Gillespie RIP prayers for your family*
