“ Mr. Vulopas, Sam, Eleanor, Jim, Chippy, Greg and Trish my deepest sympathy for the loss of your Mom. She was a true blessing and a second Mom to me when I grew up. When I was around her I always felt like she was watching over me and boy did I need watching over. She always made me feel like part of the family and I know my parents appreciated her caring and loving nature. We are all very lucky to have known her and your family is even luckier to have been able to call her Mom. All our Love Gary and Sue McKee
