“ Greg and I were classmates in high school. I loved him as a brother in Christ. He was always kind and still can picture him sitting at a desk with that smile of his. Thought about him through the years wondering how he was doing. Now knowing he had a loving wife, a precious loving daughter, not to mention his family and many friends brings my heart so much joy! I am so sorry for your loss. The day will come when you'll all be reunited. Hallelujah! Will miss you Greg
