“ Kay was such a wonderful friend, and we treasure all the moments we shared. Kay was a neighbor who always opened her door to welcome you into her home, and she will be so missed by all the lives she touched. She was blessed to have an amazing husband who never left her side giving his love and support. We love you Kay and will miss you everyday.

with our deepest sympathy

“ So many memories and such a great time we had together. We met at the Clerks Institute at MSU when we were both new Township Clerks and formed a friendship and sisterhood for a lifetime. Many conferences in MI and Washington DC. One experience we found ourselves in the ladies room with Elizabeth Dole. The hem in her skirt was coming out and she was the speaker. We got busy, I had a safety pin and Kay had scotch tape in her purse and we fixed Elizabeth Dole’s hem. Highlight of the trip. I love Kay we had such fun and who carries scotch tape in their purse 🤔
