“ Dear Gloria and Family,  
I was sorry to read about Herbie’s death today. You have my sincere condolences. What a fantastic person he was! I remember my father telling me, “That Herbie can fix anything”! I know he passed that talent on. We lost a great American!

“ I served in the Army National Guard and remember as he was my fathers friend, Herbert always took time to talk to me and give me advice. I remember him telling me how much money he was getting for retirement and it was more than twice what I made as. Specialist 4 at the time, I decided to stay in the ARNG and did stay for 32 years. I retired Sergeant Major and receive retired pay at 60. Rest In Peace.
