“ *My heart is heavy and breaks for Tony and the entire family. I've known Iris and Tony since they came to Sarasota years ago. I enjoyed conversing with Iris on many occasions when I'd stop into the office - we'd talk faith, politics, her grand-baby, and just life in general. Iris was not only beautiful inside and out, she was an extremely smart woman. This world will not be the same without her. I count myself blessed for having known her and will remember her the whole of my life. As God needed another angel, I truly believe she is looking down and watching over her family.*

*Sincerely and heartfelt,
.... Tracey*
