“ Jacqui was my best friend ! I knew her for 21 years now. We became a family. My adapted family here in the USA, her and her husband . We shared so many memories together over the years. We had happy times and sad times. May her memory continue to inspire and uplift us as we navigate this world without her. Together, we can honor her legacy and cherish the moments we shared.
I hope that as the pain fades away, your sudden demise will be a reminder for me to live every little and beautiful moment to its fullest. And be as strong as you were.
We love you forever , Anna and my kids

“ My very favorite client and friend Jacquie❤️
I had the pleasure of seeing you every three weeks for many many years. Besides being a loyal client, you were my friend. You always lent your ear, when I was sad. And when I was happy, you always shared right along with me. I wish you knew how much I felt blessed by knowing you. You were very very special to me. When 2:30 comes on Saturday it makes me cry.
Rest in Peace Special lady! You made your mark on earth. We miss you dearly
❤️❤️❤️❤️❤️ Rest in eternal peace special lady❤️
