“ Dear Dolores, Regina and family,  
My deepest condolences to you at the death of your brother and our dear classmate at St. Joseph's School, Norwalk, CT, Class of 1958. We were so happy to see Jim at our 64th year of graduation. We spent the whole day together reminiscing of our lives after graduation in '58. Jim told us of his wonderful career and life. He told us he was "blessed" in more ways than he could express. What a beautiful day we all had together and a memory of him that we will carry with us forever. Rest in peace, dear friend.

“ My Dear Friend & Brother Jimmy. We have known one another since 1st grade, 1949. We reacquainted in 2011 when we had our 1st Grade school reunion and remained very close friends since that time. You will be sadly missed and will always remain in my heart. We always closed our phone conversations by saying " I love you Brother". Rest in Peace and ride that Harley in the sky.

“ Jimmy worked on my condo in Palm-Aire. His work was excellent and he really helped me out in figuring out some of the design elements. I loved chatting with him. Funny. Original. Very cool dude. He will be missed.

“ I have known you since 1977 when I went into business and we built the Fiata house. I will miss you "old boy!" (My God, you were my age to the month!! "Young man!") We had some good times over the years, and it was always great working with you! May the Lord bless your soul and enjoy your presence!

“ Uncle Jim was a special guy. I have known him for many years. It was within the past few years that I got to know him a lot better, having spent a lot of time with him. He was such a great person, so kind, giving and good hearted. He loved talking to people and would go out of his way to make people comfortable if he sensed they were uneasy. He was the type of person and friend that doesn't come around very often. He was special to me and I will always treasure the memories we had, things we did, the great conversations and the laughs. Uncle Jim was taken way too soon. Having said that, he touched more lives in his time on the earth than most people ever do and will be missed by everyone.
