

James H. Hoover

January 17, 1933 - November 25, 2023

It is with heavy hearts that we announce the passing of our dear father, James H. Hoover, on November 25, 2023. Born on January 17, 1933 in Ohio, James was one of ten siblings, born to Ethel and JB Hoover.

In 1957, James relocated to Florida with his young family, establishing himself as a successful electrician and founding Lantern Electric in the early 1970's—a testament to his hard work and dedication.

James was actively involved in the Shriners organization and was known for his generosity and willingness to lend a helping hand.

He is survived by his separated wife Maggie Hoover and their three children Larry Hoover, Dennis Hoover, and Terri Appleton, along with her husband Steve Appleton. His grandchildren include Alexander and Marc Appleton, Ashley and Kelsey Hoover, the latter with her partner Steve Schwartz. James also leaves behind four great-grandchildren.

James is also survived by his younger siblings Phyllis Rowe and Bradley Hoover, and fondly remembered by nieces, nephews, and friends.

In lieu of flowers, please consider donating to Shriners' Children's Hospital, (<https://lovetotherescue.org/how-you-can-help/programs/give-in-memory>) a

cause close to James's heart.

May he rest in peace.
