“ Peg, our deepest sympathy on Jim's untimely passing.

His love lives on in the lives he touched with his gentle, caring way. In the words he spoke, in the hearts he warmed, in the joy he brought each day.

Rest in Peace, Jim

“ *What glory awaits this great soul, who stepped up to defend the defenseless; how many lives are being lived, who had been scheduled to die. Rest in Peace, and live forever in Jesus' love.*
