“ Jimmy Snyder was a great family friend! We have known Jimmy for many years, and he was always available when you called to talk, he was so helpful when things needed to be done, and was a member of our family, like a brother to us. His Wife, Kathie, is a gem! She loved her Jimmy so much and took great care of him. We send her our deepest condolences today as she is mourning the love of her life, but knows that he is in Heaven now. Many blessings to the Snyder Family as you walk through this season of grief. We love you!

“ What does a person say? Nothing takes away the pain but time. He will be in your soul forever. You will think of him everyday. Sometimes you laugh and sometimes you will cry. It is a great loss. Jim knew his life was going to end soon. He and I had talked about it twice. He thought he had had a great life and had no regrets. He felt that everything was in order and you would be taken care of. He was always very thoughtful about people. I will miss him greatly as I'm sure Jim will. I will always remember all the times we spent talking out on the street or in the driveways. Our street will never be the same without him. If you ever need anything or just to talk remember we are here for you.
