

Jamie Martin

December 12, 1951 - September 21, 2024

It is with extremely heavy hearts that we share the very unexpected passing of Jamie Lynn Martin, who left us on September 21, 2024, at the age of 72. Jamie passed away peacefully of natural causes at her home in St. Armands Circle, Sarasota, FL. Jamie was born in Mineola, NY on December 12, 1951. She was a beloved mother, sister, aunt and Grammy who dedicated her entire life to her family, pouring her heart into raising her two sons on her own and creating a home filled with love, warmth, and laughter. She was a wonderful mother who was always there when we needed her most, offering support, wisdom, and an abundance of love. She spent her days tending to her tomato garden, loved her boat rides and watching the manatees and sunsets over the water in her favorite spot on her deck. She was a friend to everyone and was known for her generous heart and lived a beautiful life. Full of love, laughter and so much resilience she touched the lives of every single person that crossed her path.

She is survived by her three brothers, Robert Martin, Chris Martin (Cheryl) and Tim Martin (Debra) as well as her son Andrew Gilbertson (Alanna) and their children: Andrew, Addison, Cullen, and her son Greg Gilbertson (Kendra) and their children: Kenley and Crosby.

She was predeceased by her parents Robert Arthur Martin and Alvina Louise Martin. She leaves behind a legacy of kindness, compassion, and unwavering support.

To commemorate her incredible life and to celebrate the love she spread, a private celebration of life memorial service will be held in October.

Jamie's memory will live on through the stories we share, the life lessons she taught, and all the selfless love she shared.

In lieu of flowers, the family requests that donations be made to one of the following foundations that were all near and dear to her heart:

The MDS Foundation (<https://www.mds-foundation.org/>), The Breast Cancer Research Foundation (<https://www.bcrf.org/>) or to the Florida Hospice and Palliative Care Association (<https://www.floridahospices.org/>)

I only knew Jamie for 4 years . We talked for 2 hours every 3 week for 4 years! We shared many stories of our lives and our children. She loved her children and grandchildren . I will miss our conversations.

“ I have so many wonderful memories of Jamie. We made a lot over our 60 years of friendship from growing up in Manhasset, living in DC and both ending up in Florida, She would make me laugh and smile. If I was feeling sad I knew I could call Jamie and she would make me feel better, We could talk on the phone for hours as if we were teenagers, If one of the calls lasted less than two hours it was a short one. On our last call she said “Fray we had a lot of fun over years”, She was so right, I can not put into words how much I will miss my dearest and oldest friend, RIP Jay and I will see you on the other side, Love you always Fray.
