“ from what her Friend Teresa Blazius tells me, Jane was loved by many people. She also loved her Lord God and attended church whenever she could. She loved working in the medical field and helping people. She will be greatly missed. I am so very glad my sister Teresa was able to get to know and be friends with this lovely person and be with her till the end. I know her family will truly feel her loss. My extreme sympathy to the family and friends of Jane. God be with you all during this time of grieving.

“ Jane and I were friends for 38 years and I will miss her greatly. She was always the life of the party, Loved a good time, but, worked hard and felt deeply for the poor and needy... She had a positive outlook on life and was a deeply spiritual person... She suffered greatly at the end, but, her reward is to rest in the arms of Jesus in Heaven. WE LOVE YOU JANE...
