“ Sharon, Your mother and I met June 4, 2018, when we both attended Tidewell's newly bereaved support group. Over time we shared some of the sorrow at losing our husbands, but later were able to talk of happier things [especially the Gators - I have 3 UF alumni in my family]. My last conversation with your mom involved me asking for her insights into visiting the Grand Canyon and Las Vegas. I was stunned to see her obituary in today's paper. I am hoping she did not suffer, and I will imagine her reunited with Alfredo. With heartfelt prayers and condolences, Kathleen Hunter
