“ *Almost been 4 years... days go by, some easy, others not so much. That will be something I have to deal with year by year for the rest of my life. But I always know you'll be around for every step of that journey and showing me little signs and pathways to an amazing life just like yours.*

Love you Mom

I didn't go to her celebration, cause I new some people don't want me there. That's ok. I spent 9 yrs of my life with Janet. I'll miss you Janet*

“ In August of 2012, we moved to Sarasota, and Janet was my boys very first teacher here. I was thankful the boys had such a fantastic teacher, and I made a much needed friend that year as I was her room parent. She remains my sons favorite teacher they've ever had. They have many wonderful memories of her. She will be missed by so many.
