

Jean Nancy Chrostowski

January 11, 2019

Jean Nancy Chrostowski aged 86 died peacefully on January 11, 2019 while in the kind and compassionate care of Hospice.

Jean is on another journey now. She wanted to further the important work done by the medical and scientific communities and made the generous choice of donating her remains to the University of Florida College of Medicine.

Jean is survived by Mel Chrostowski and her five children Lee, Jan, Joel, Toby and Todd along with 10 grandchildren and 7 great grandchildren.

Jean loved to travel taking her children on trips around the world making beautiful memories for us all. Everybody will always remember her quick wit, skill with crossword puzzles and love of a good dry gin martini.

Jean will be missed by family and friends

The family will be planning a Celebration of Life in the near future for this wonderful woman that gave us all so much.

“ To each member of the Chrostowski family, I am sorry to learn of your loss and simply wish to express my deepest sympathy to each of you. Jean lived a full life and created so many memories all along the way. Memories that will not be forgotten. I will remember Jean for always being so warm, welcoming and gracious to me each time I saw her. I remember her love of cribbage, crossword puzzles, reading, traveling, shopping, martinis (splash of vermouth) while sitting on the lanai and her love of family. May Jean Rest In Peace and May her memory warm your hearts.

With deepest sympathy,

Nancy Silvester

“ Dear Mel, Joel, Paula, "et al",

It is with deep sadness we read of the loss of your wife and mother, Jean. She sounded like an outstanding human being not only as wife and mother, but as a sincere and warm and caring person. Her donation to the Florida Medical College says it all.

May her love and the memories you've shared over the years help you and your family through your time of grief.

With heartfelt sympathy,

Val Woodger & Jan Bradley
