He was an avid snowmobiler, belonged to the Snowmobile Club and was involved in the grooming of trails etc. One of the special trips he did, along with friends did was ride from Maine to Canada. Other Clubs he was member of was the Le Club Calument , VFW, American Legion and the Moose Lodge

His favorite (joking) saying was "I hate kids" as he was building trees house or

zip line for them or just playing with them. He was always so happy when everyone was around. He loved his family and friends and there were so many children and even some of their parents that called him Pepere. He is going to be missed by so many that knew and loved him.

“ *My deepest sympathies to Rosemary and the family for your loss of my special friend, Jean.*

Jean was a dear friend during my high school years and through out life's journey. We grew up together and remained friends.

We shared a love of family, our school, our City and especially our French heritage whenever we met during his visits to Maine.

Monique, Terry and others siblings have been like a second family to me thus we have shared life's journey in many ways

May he now rest in peace.
