“ My beautiful son I miss you so much. Almost daily a thought will cross my mind or I will see or hear something funny or simply ridiculous and my first thought is, I have to call Jeffrey, then then the reality hits me that I can't call to just share something silly with you and my heart breaks all over again. I have so many things I want to share with you. Just see your handsome face, those beautiful gold eyes, and your joker smile. Yes there was so much wasted time I can never get back, but I know in year you knew how much I love you and always will. My mission now is to help ensure that your boys are taken care of. I will keep your alive in there hearts and they will never doubt how much you love them and their momma Chelsie
❤️

“ Jeffrey, I miss you so much!!! Growing up, you were more like a little brother to me than a nephew. I will cherish all the times we had together. Taking you out for your 21sr bday, all our moments/secrets down at the Venice house, teaching you how to play beer pong, playing pool. And all the memories growing up here at the house. Oh, and the short time you lived with us. There are countless more...I know you are in a better place, in heaven watching down on your family. Your boys will be well taken care of, we won't let you down. Love you and miss you so much.

“ Kimberly Fitts-Mattox sent a virtual gift in
memory of Jeffrey von Borstel, II

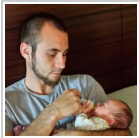

Kimberly Fitts-Mattox - April 05, 2021 at 11:47 PM

“ *We'll always remember
that special smile,
that caring heart,
that warm embrace,
you always gave us.
You being there
for Mom and us
through good and bad times,
no matter what.
We'll always remember
you Dad because
they'll never be another one
to replace you in our hearts,
and the love we will always
have for you.*

“ *A light is from our household gone,
A voice we loved is stilled,
A place is vacant in our home,
Which never can be filled.
God gave us a beautiful father,
A father who never grew old,
You were always there
With a helping hand,
Help us now to accept His plan.
We miss you now, our hearts are sore,
As time goes by, we miss you more.
Your loving smile, your gentle face,
No one can take our "Father's Place"
May the choirs of the angels receive you
and may you have rest
and peace everlasting. Amen.*

“ *The purest love I've ever known was the moment I looked in to your
little eyes the day you were born! I miss the sound of your voice
already.*
